INTRODUCTION

We are pleased to present Eagle Mountain City's Fiscal Year 2021 Annual Popular Financial Report (APFR). This report and the City's Annual Comprehensive Financial Report (ACFR) report on the financial health of our organization. An APFR is a summary of the information contained in the ACFR. Whereas the ACFR will have information regarding all City funds, the APFR shows only selected funds and is not meant to replace the ACFR.

Although the numbers used in the APFR come from an audited source, we have presented them in a condensed, easy to understand, non-GAAP format. GAAP reports deal with the presentation of segregated funds as well as full disclosure of all material financial and non-financial events in notes to the financial statements, while non-GAAP reports do not contain such notes. Citizens who wish to review audited GAAP basis financial statements can refer to Eagle Mountain City's ACFR, which contains more detailed information and is available from the Finance Department or on the City's website at **emcity.org**.

Eagle Mountain City has received the Government Finance Officers Association's "Certificate of Achievement in Financial Reporting" award for each of the last ten fiscal years beginning with fiscal year 2010. The ACFR report shows the audited financial statements along with statistical trend data for the City.

This report is intended to be a synopsis of the ACFR, but it is also a glimpse on some of our primary achievements this year and our challenges for the future. It is based on audited financial documents and is a summary of our financial outcomes during the 2021 fiscal year (July 1, 2020 -June 30, 2021). We are pleased to present this report to help Eagle Mountain City residents better understand how the City operates financially.

VISION, MISSION, OBJECTIVES

VISION

Eagle Mountain City is committed to being Utah's most Dynamic and Desirable City.

MISSION

The mission of Eagle Mountain City is to provide quality services, facilities, and opportunities that create, sustain, and enhance a safe, livable, and dynamic community for its residents, businesses, and visitors.

STRATEGIC GOALS

- 1. Quality Services
- 2. Customer Service & Public Image
- 3. Transparency & Accountability
- 4. Economic Development
- 5. Community Involvement
- 6. Safety for City Employees

COMMUNITY PROFILE

Eagle Mountain City is a community of over 50,000 residents. The City was incorporated just over 25 years ago in 1996 with only 250 residents. Eagle Mountain saw rapid growth during the early 2000's and has continued to see significant growth following the 2008 recession. A recent report published by the Utah Foundation projected that Eagle Mountain's population will expand to nearly 120,000 by the year 2050.

Eagle Mountain is situated west of Utah Lake in Utah County and is conveniently located near the population centers of Salt Lake City and Provo. At over 50 square miles, Eagle Mountain is one of the largest cities in the state geographically. The City is within 40 miles of three of Utah's largest universities—Brigham Young University, the University of Utah and Utah Valley University. The famous Pony Express Trail runs through the City and is the source of the name for the City's annual festival, Pony Express Days.

Eagle Mountain was recognized in 2013 as the youngest city in America by CNN Money and continues to maintain a very young population. Eagle Mountain is a safe community and provides its residents with many recreational opportunities. The City's master plan includes more than 50 miles of jogging, cycling and horse riding trails. It also is home to a large all-abilities regional park, mountain bike park, skate park, and an ATV trail system spanning more than 85 miles.

 $[\]boldsymbol{*}$ The City contracts with the Utah County Sheriff's Department for police services.

^{**} Unified Fire Authority acquired the assets and took over operations of the City's Fire Department in January of 2013. Fire hydrants are still owned by the City but no longer reported.

^{***} Questar Gas acquired the assets and took over operations of the City's natural gas utility in March of 2015.

[†] Efforts to significantly increase the use of GIS for data collection discovered a significant difference in data points related to water and sewer lines. GIS data will be used going forward.

FINANCIAL HIGHLIGHTS

The following pages contain basic financial information for Eagle Mountain City's most recently completed fiscal year, but also historical data from the past five fiscal years. The APFR will summarize financial information for the following:

Governmental Funds

- General Fund: The City's basic operating fund for many City operations
- Special Revenue Funds: Intended to report specific revenue sources that are limited to a specific purpose
- **Impact Fees:** These are fees collected from developers to help pay for the increased impact their developments will have on existing City infrastructure. These can be used to expand the capacity of City infrastructure such as roads or the sewer system.
- Cemetery Fund: This fund is used to account for the revenue and expenditures that are directly tied to the operation of the City's cemetery.
- **Debt Service:** Although most City debt is directly tied to the operation of a few of the City's utilities, the City does have several special assessment areas that operate to help pay for a specific project in an area of the City. The taxpayers in that area are assessed a fee to pay for those projects.
- Capital Projects: Any capital projects that have restricted funding attached to it is accounted for in this special fund.

Proprietary Funds

These funds are used to account for all City operations that are financed by revenues generated by the operations themselves. They are also referred to as Enterprise Funds or Business-like Funds, due to the fact that they operate more like a private business. The City has the following **Proprietary Funds:**

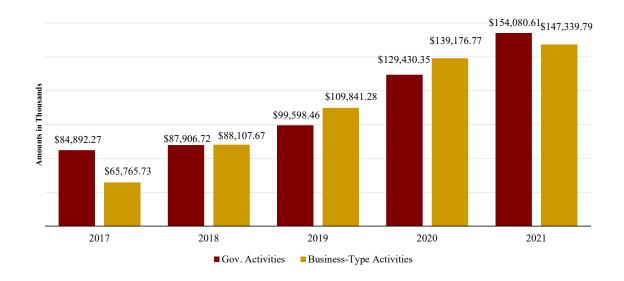

- Water Fund: The City's Water Utility provides culinary water services to all of Eagle Mountain City.
- Sewer Fund: The City's Sewer Utility operates and maintains the entire sewer system, including the pipes, lift stations and the 1.2 million gallon sewer treatment plant.
- Electric Fund: The City sold the Electric Utility to Rocky Mountain Power in March of 2015.
- Gas Fund: The City sold the Gas Utility to Questar Gas (now Dominion Energy) in March of 2015.
- Solid Waste: The City contracts with ACE Disposal for solid waste service, but collects the monthly fees on behalf of the company.
- **Storm Drain.** The City's Storm Drain Utility operates and maintains the entire storm drain system.

NET POSITION

A City's net position is a good indicator of its long-term financial health. Net position is calculated by adding up all of the city's assets (Cash, investments, land, buildings, infrastructure, etc.) and then subtracting out all of the city's liabilities (Accounts payable, bond interest, etc.). Current assets and liabilities can be turned into cash within the year or are due within a year. Non-Current assets and liabilities either can't be turned into cash easily or are not due within the year.

The two charts below show the net position for Eagle Mountain City in Fiscal Year's 2020 and 2021 and then a historic look back for each year from 2017.

	Governmen	Governmental Activities				Business-Type Activities					Total

Governmental Funds

Governmental Funds are those funds that are used for the general government operations. For Eagle Mountain City, the largest of these funds is the General Fund (discussed in greater detail later). Other Governmental Funds include the Special Revenue Funds, Capital Projects and some Debt Service Funds.

The following table shows the Fiscal Year 2021 revenues and expenditures for the Governmental Funds, followed by the five year history for revenues and expenditures.

	G	eneral Fund	eneral Fund pital Projects	Special Revenue Impact Fee Parks		Non-Major overnmental Funds	Go	Total overnmental Funds
Revenues Expenditures	\$	27,759,154 16,540,314	\$ 64,292 7,149,156	\$	4,567,904 143,257	\$ 4,971,447 2,107,751	\$	32,794,893 25,797,221
Excess revenue over (under) expenditures	\$	11,218,840	\$ (7,084,864)	\$	4,424,647	\$ 2,863,696	\$	6,997,672

Information gathered from the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental funds on page 25 of CAFR. Excludes "Other Financing Sources."

GOVERNMENTAL FUNDS

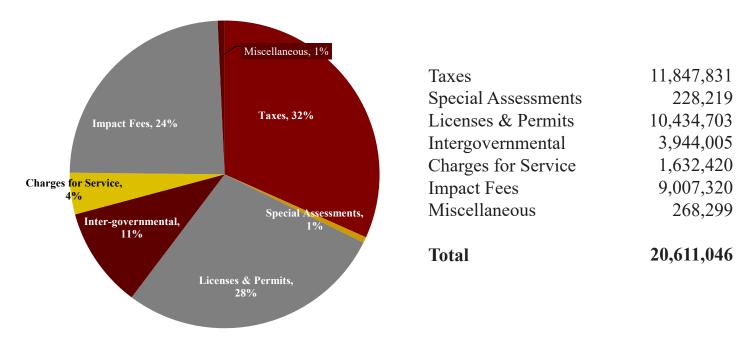

The following table demonstrates the total revenue and expenditures for all Governmental Funds for the past five fiscal years.

This table shows the additional financing sources that have occurred during the previous year. These sources are not directly tied to the operation of the Governmental Funds, which is why they are accounted for separately. These include: Transfers in or out, contributions, and bond proceeds.

GENERAL FUND REVENUES

The main revenue sources for the General Fund are the property, sales, and franchise taxes collected from residents and businesses. Other sources of revenue include the fees charged for building a home or an entire subdivision, funds from other government sources, charges for sports participation, and more. Most City revenue sources saw an increase from Fiscal Year 2020, which is a result of increased growth, a recovering economy, with a minor dip in demand for special services.

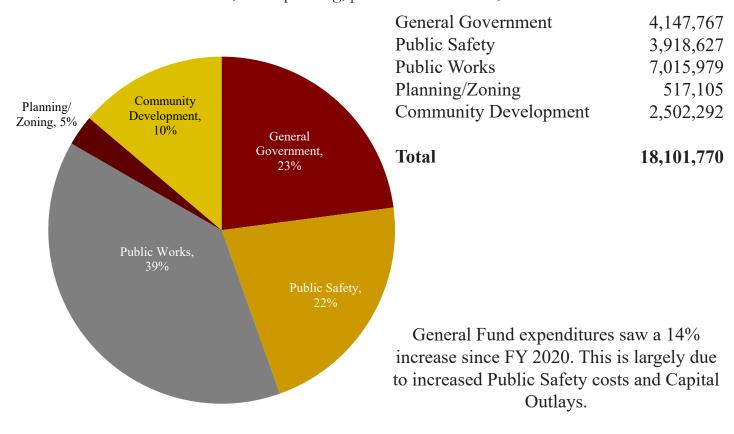

Information gathered from the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental funds on page 25 of CAFR. Excludes "Other Financing Sources."

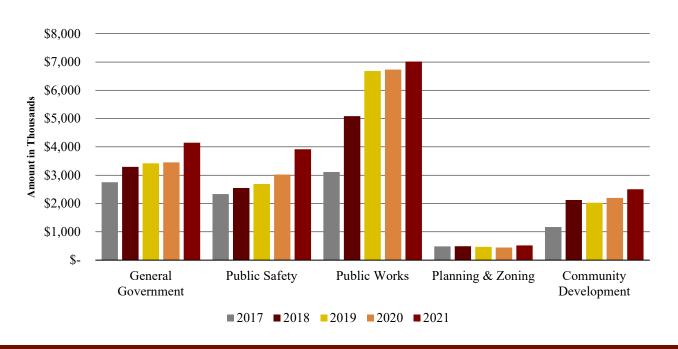

General Fund revenues saw a 45% growth since FY 2020, which largely came from new growth. This shows that the City is growing and is in a strong financial position, while maintaining a low burden to residents.

GENERAL FUND EXPENDITURES

The City's General Fund provides many of the basic services that residents enjoy. A large portion is devoted to general government operations such as the Administration. Planning. and Finance Departments or the Recorder's Office. Public safety services provided by a contract with the Utah County Sheriff's Office takes up the next largest portion. Other services provided by the General Fund include road maintenance, snow plowing, parks and recreation, and more.

PROPERTY TAX SUMMARY

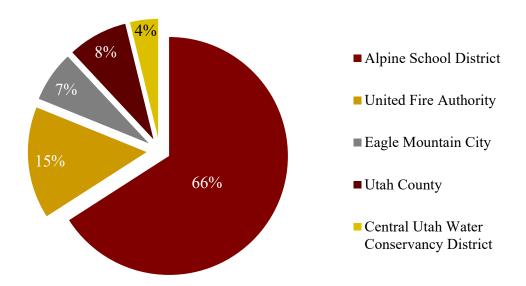

Eagle Mountain City receives a portion of the property taxes collected on all real property located within the City. Those dollars support critical government functions such as public safety and road maintenance, and other services such as parks and recreation, the library, and more.

This chart shows what an Eagle Mountain City household would pay in property tax on a \$320,000 home.

The average household pays \$127.42 per year to the City in property tax, which is only 35 cents a day. For that 35 cents a day, residents get police services, safe roads, parks, sports and recreation programs, planning services, and much more.

	\$ \$,	Appraised value Taxable value
Alpine School District	\$	1,215.10	
United Fire Authority	\$	280.19	
Eagle Mountain City	\$	127.42	
Utah County	\$	150.13	
Central Utah Water Conservancy District	\$	70.40	_
Total Property Tax Bill	\$	1,843.25	•

What can you get for 35 cents a day?

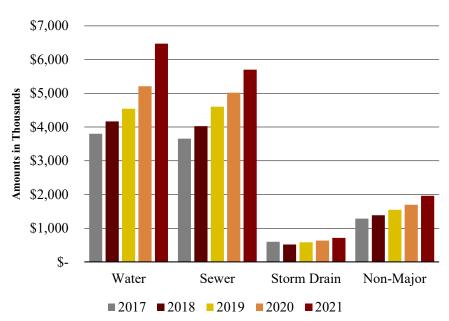

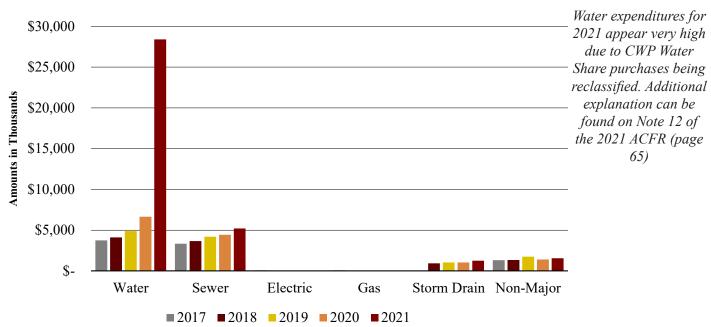

PROPRIETARY FUNDS

The City's Proprietary Funds provide a variety of municipal services to the residents. Currently, the City operates Water, Sewer, and Storm Drain Utilities. In March of 2015, the City sold its Gas and Electric Utilities, which it no longer operates, but are still reported in the CAFR and this report. In addition to the four major Proprietary Funds, the City also operates one "non-major" Proprietary Fund:

Five Year Proprietary Funds Operating Revenues

Five Year Proprietary Funds Operating Expenditures

Information gathered from the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Proprietary funds on page 28 of CAFR. Excludes "Non-operating Revenue (expense) and other financing sources.

FY 2021 HIGHLIGHTS

During the 2020-2021 fiscal year, Eagle Mountain City saw increased economic growth, increased building, and high-quality services provided to the residents of the City. Among the accomplishments and highlights for the City were the following:

- •Processed a record-breaking 1,609 new construction residential building permits, an increase of 139 over FY2020. 2,672 building permits were processed overall.
- •Pony Express Pkwy was widened from Mid-Valley Rr. area down to Eagle Mountain Blvd. and construction began on Airport Rd.
- •The Cory Wride Regional Park Phase 2 project was completed, Woodhaven Park opened, and Smith Ranch Regional Park planning started.
- •The Utility Billing offices were renovated and dedicated Customer Service personnel were designated and reassigned under the Administrative Services Director.
- •Third year recognized as a Tree City USA city by the Arbor Day Foundation.
- •Google announced plans to purchase land in Eagle Mountain City with the intent to begin construction on a new large data center in the near future.
- •Eagle Mountain held a number of successful events including the Pony Express Days, Christmas Village, Halloween Town, ShopFest Utah, and more.
- •22 new commercial businesses and 122 home-based businesses were opened during FY 2019.

LOOKING FORWARD

As we close the books on Fiscal Year 2020, Eagle Mountain City is looking forward to the future and the opportunities and challenges each new year brings. Included in Eagle Mountain City's 5-Year Plan for the future are four main categories: Transportation, Commercial Development, Parks & Trails, and Employee Recruitment. As we look to Fiscal Year 2022, each of these four areas will play a large role in how the City operates. The City is seeking opportunities to increase the inventory and diversity of its parks and trails systems, including additional investment into Cory B. Wride Memorial Park. A number of commercial and industrial locations have either already opened for business, or will open, bringing jobs and increased economic activity to Eagle Mountain City.

Past financial decisions, including the decision to sell the City's gas and electric utilities, have placed the City in a strong financial position. The City is looking to take advantage of this position to improve City services and expand our capacity to provide our residents with the best facilities and services possible.

Eagle Mountain is experiencing levels of growth not seen since the Great Recession, and is preparing for much more growth. This will stretch the City's infrastructure and staff, but the City is planning and preparing to deal with this increase.

The City has positioned itself well to enjoy the benefits of future expansion, especially in residential and commercial development, and will continue to seek to become the most dynamic and desirable city.
