CITY OF RESIDENCE Eagle Mountain

YEARS OF RESIDENCE 20

AGE 48

OCCUPATION Excavator

I'm Jared Gray, a longtime resident and committed member of the Eagle Mountain community. Before our city was even established, I farmed the land that would become Eagle Mountain with Cedar Valley Farms. My connection to this community runs deep, from farming these fields in the 1980s and 90s to raising my family in one of Eagle Mountain's first homes.

My wife, Heidi, and I have proudly called this place home since the beginning. I'm a father of four great kids, business owner, and former rodeo competitor. I've served in Eagle Mountain on multiple board, including planning commission and now serve on the city council. I care deeply about the people who live here.

I'm running for mayor to face the issues that matter most, responsibly managing growth, reducing traffic, and building much needed infrastructure. For me, this race isn't about politics or photo ops, It's about action, integrity, and results. "More action, less talk."

I'm ready to lead with grit, common sense, and heart. Together, let's build a stronger future for Eagle Mountain.
