CITY OF RESIDENCE Eagle Mountain

YEARS OF RESIDENCE 18

AGE 47

OCCUPATION CEO Chamber of Commerce

I'm Melissa Clark, a longtime Eagle Mountain resident, City Councilmember, and CEO of the Valley Crossroads Chamber of Commerce. I'm running for mayor because I love this city—and because we need transparent, accountable, experienced leadership to guide us through the challenges and opportunities ahead.

As a wife, mother of four, and business leader with a background in high-level project management, I understand what it takes to solve tough problems and deliver real results. I've led national teams, managed large budgets, and brought that same focus to every decision in our city. I'm known for listening carefully, staying informed, and pursuing solutions that reflect the values of our residents—not just the politics of the moment.

I've helped local businesses grow, built regional partnerships, and championed smart economic growth. I know how vital a strong local economy is to our future.

I've walked land with residents, answered late-night calls, and taught emergency preparedness classes. When someone says "it can't be done," I don't stop—I dig in until we find a way.

This election isn't about talk versus action—it's about the courage to do both.

Let's build a future that reflects our values and works for the people who call Eagle Mountain home.
