WHEREAS, the City Council of Eagle Mountain City, Utah, is empowered by law to adopt resolutions establishing fees for municipal services and has established an equitable system of fees for providing municipal services; and

WHEREAS, the City Council has determined that it is necessary and appropriate to adopt and amend the fees within the City; and

WHEREAS, Eagle Mountain City recognizes the need to manage its culinary water resources efficiently and sustainably, and implementing pressurized irrigation (PI) systems is a key step in reducing culinary water use for outdoor irrigation; and

WHEREAS, the introduction of secondary irrigation service in select neighborhoods represents a significant milestone in the City's long-term water conservation strategy and aligns with broader goals for responsible growth and infrastructure planning; and
