CITY OF RESIDENCE Eagle Mountain

YEARS OF RESIDENCE 21

AGE 61

OCCUPATION Self Employed

I am excited to announce my candidacy seeking re-election to the Eagle Mountain City Council. It has been an honor and privilege to serve you.

I believe it is important for voters to hold their elected officials accountable. My record will allow you to see where I have spent my energy during the first term. My record is public and very accessible. I invite you to examine it. There is no need to take a chance on whether my campaign rhetoric will match my policy decisions.

I have been instrumental in producing many quality-of-life enhancements and improvements to the community as a planning commissioner and now as a city council member. Some of these results are detailed on my website, www.brett4emcity.com. Here you may also read about my second term priorities.

There is still much heavy lifting required to produce the results that will make a difference. Earning your vote for a second term will allow me to continue to prioritize a focus on improving the quality of life for all citizens.
