CITY OF RESIDENCE Eagle Mountain City

YEARS OF RESIDENCE

AGE

OCCUPATION Owner & Founder, Prime Real Estate Experts

Craig's experience & education uniquely position him to be Eagle Mountain's **STRONGEST** voice in negotiations with developers, maximizing the **CITY'S** interests, not just the developer's, advocating the city's rural heritage & bucking high density trends to balance growth with infrastructure.

Craig is married (Stephanie). They & their 6 kids (all boys except for the first 5!) have a family singing group (Torch Family Music), and enjoy outdoor recreation & time with their horses, goats, & chickens. He's the owner of a successful real estate brokerage, Prime Real Estate Experts, and is a city planning commissioner. He has a master's degree in real estate development with certificate in urban planning (U of U, #1 graduate in class) & bachelor's degree in business management (BYU, cum laude) with 3 minors. Craig is a highly decorated broker & elite (top .5%) producer, having sold hundreds of millions of dollars of real estate, earning numerous hall of fame and distinguished service awards from the Salt Lake Board of Realtors ~Æ.

Craig champions the slogan "Eagle Mountain First" with the aim to make this city a top choice city in the state. City interests first, not developers! Study his views at electcraigwhiting.com.
