CITY OF RESIDENCE Eagle Mountain

YEARS OF RESIDENCE 7

AGE 60

OCCUPATION Director of Respiratory Therapy

Laura Jensen for Eagle Mountain City Council

Rooted in Service, Focused on the Future

I'm Laura Jensen, an Eagle Mountain resident with four generations of family calling this community home. I've spent my entire adult life in service—30 years as a respiratory therapist, 12 of those in leadership—and currently serve on the Valley Crossroads Chamber of Commerce Executive Committee.

I'm running for City Council to help shape Eagle Mountain's growth with common sense, compassion, and conservative values. My priorities include:

- Improving infrastructure and transportation
- Supporting affordable, reliable energy solutions
- Prioritizing families, parks, and youth programs
- Strong backing for our first responders and county sheriff
- Promoting transparent, responsive leadership

I love this city and believe in thoughtful planning that protects what makes Eagle Mountain special—while preparing us for a strong future. I'm not a career politician; I'm a neighbor, a mom, and a dedicated public servant who listens, leads, and cares.

I'd be honored to earn your vote.

Let's grow wisely—together.
