Oreta Tupola, Candidate for Eagle Mountain City Council

Aloha Eagle Mountain 🌺,

My name is Oreta Tupola, and I'm honored to be a candidate for Eagle Mountain City Council. As a long-time advocate for families, communities, and public service, I am deeply invested in the future of our growing city.

Eagle Mountain is more than just where we live—it's where we raise our children, build community, and create memories. I'm running because I believe in responsible growth, safer neighborhoods, and transparent leadership that truly listens to you.

We all see the potential in our city—from improving roads and infrastructure to creating more spaces for small businesses and recreation. My commitment is to represent your voice and work with you to make Eagle Mountain stronger, more connected, and ready for the future.

I would love to hear from you—what you care about, what you envision, and what you'd like to see changed or preserved.

Let's build a city that honors our values and plans wisely for the next generation.

Your voice matters. Your vote matters.

I humbly ask for your support.

— Oreta M. Tupola
