**CITY OF RESIDENCE** Eagle Mountain

**YEARS OF RESIDENCE** 17

**AGE** 69

**OCCUPATION** Mayor

Since 2018, I've provided principled leadership, doing the hard things during a period of explosive growth and historic challenges.

I helped bring major employers like Facebook, Tyson, Google, QTS, Tract, Macy's, and Walmart to Eagle Mountain, keeping our economy robust despite a global pandemic and record national inflation. This helped me launch the Eagle Mountain Chamber of Commerce and lay the groundwork for its success, and the city is now ranked 11th in the country for starting a business.

I also helped secure a billion dollars in new freeway construction, plus \$150 million in water, sewer, and power upgrades to meet our growing community's needs. But at the same time, we've prioritized smart planning and land preservation, protecting open space, historic sites, and vital wildlife migration routes.

Eagle Mountain is thriving because we weren't afraid to do the work. No one cares more deeply about our residents than I do, and I'm eager to continue leading the community into the future.

Reelect Tom Westmoreland for Eagle Mountain Mayor!
